Distillery Project Delivery

We pride ourselves on being the right fit for our clients. Teamwork, customer focus, professionalism and integrity are fundamental to the values of our company and key in everything that we do. Our knowledge and industry experience allows us to quickly and accurately develop solutions for our distillery and process industry clients.

Our extensive experience and the knowledge base of our multi-disciplined personnel demonstrates successful project delivery and an enviable track record in:

- Engineering & Design
- Mechanical
- Civil
- Structural
- Electrical
- Instrumentation
- Process
- Capital Projects
- Project Management
- Procurement
- Construction
- Management
- Commissioning
- Validation
- Life-Cycle Support
- Process Safety and Risk
- ATEX/ DSEAR Compliance
- HAZOP
- LOPA and Risk Graphs
- Safety Instrumented Systems
- Relief System Design
- Project Risk

Our integrated management systems are Quality Assured by British Standards Institute (BSI) to PAS 99:2012, ISO9001 and ISO14001.

For advice/assistance or an informal chat to discuss your future project requirements please call Scott McMartin, Managing Director on 01324 611 294.
